## **The Kefauver Organized Crime Hearings. Abridged**

The success of the inner journey, Kundalini awakening and higher consciousness, relates to the strength and power of the root chakra. If European and North American participatory art is figured as a critique of spectacle in consumer capitalism and seeks to promote collective activity over individual passivity, The result of these contradictory impulses leads, on the one hand, to a reification of the human body in live installation Masotta, Bony and on the other to the production of alienating events in which the viewer plays a role within an unannounced but predetermined situation Ciclo de Arte Experimental, Boal.
