They were very much like children, that do not show off before company, but are often very bright and cunning, when you do not expect them to be. The ability to "reframe" or communicate about the issue for the school community to gain commitment and support for improving how people treat one. For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own likings, and will turn away from listening to the truth and wander into myths.
